Luxury Island Hopping

Brac & Hvar from £889pp

4* Villa Vela Luka, Brac
3* Pharos Hvar Bayhill Hotel

Brac boasts the highest peak of the Croatian islands, Vidova Gora at 778 metres and home to the town of Bol, with Croatia's best known and arguably most stunning beach. Here you'll lose yourself in the romantic squares and the cobblestone streets. You'll stay in the waterfront location in the bay of Vela Luka, with the island's longest sand and pebble beach just a few steps away. Queen of the Dalmatian Islands, beautiful Hvar is favoured by wealthy Croatians and discerning Italians whose luxury yachts anchor off the coast during the summer months. Set amidst olive trees, vineyards, rosemary and wild lavender, there are palaces and churches, and delightful cafe's, restaurants and bars. The Riva, the central thoroughfare, leads from the picturesque harbour to 16th century Stephens's Cathedral which dominates the main square, and up to the Fortica Fortress. Inspired?
