Get away from it all. Just check in, check out your elegant room, and we'll help you make relaxation a fine art. Perhaps that's some pampering treatments, a few lengths in the indoor pool or a quiz. Or maybe it's simply settling into an armchair with a drink from the bar and looking forward to a relaxing dinner for two. After a hearty dinner, our bands and live acts never stop performing, and we guarantee you won't want to stop dancing.
