

## ARE YOU AWARE OF SOME OF THE NEW CHANGES REGARDING TRAVEL ABROAD?

### FACE MASKS MUST BE WORN ON ALL FLIGHTS.

From the moment you enter your departure airport to walking out of the arrival airport, a mask must be worn throughout. The only exception is to eat or drink.

### EACH COUNTRY HAS THEIR OWN RULES FOR ENTRY.

England may have air bridges with certain countries, but your destination country may have other requirements, including 14 days quarantine.

### TRAVEL INSURANCE

#### CHECK CAREFULLY!

Many insurance underwriters have changed the cover regarding Corona Virus and cancellations.

### FOREIGN & COMMONWEALTH OFFICE ADVICE

Advice and information on travel restrictions and requirement can change from day to day. So PLEASE check the day before you depart.

### TRACK & TRACE

Most countries are requiring some kind of entry form to be completed prior to entering their country. This varies depending on which country you are visiting. They are lengthy forms and are normally required to be completed digitally shortly before travel date.

### HEALTH SCREENING

This may be temperature scans and or PCR test at the airport. **DO NOT TRAVEL if you are unwell** as you may be denied boarding or entry in to your destination country.
